- The Solid Waste Division received eleven complaints: four trash, five bulk, and two brush.
- Seven recycle bins were distributed to residents.
- Republic commenced daily solid waste collections at 6:00 a.m. instead of the regularly scheduled time of 7:00 a.m. Republic requested this schedule change through July 31, 2022, to address worker safety during sweltering hot weather conditions. The new times were communicated to residents through various channels.

## CIP Construction

- **E. Danieldale Rd. Reconstruction and Utility Improvements Project (Main St. to US-67)** – The City’s contractor is Pavecon. Pavecon’s subcontractor, Stenson, applied hydromulch in the parkway on the north side of the road after the temporary sprinkler was installed. Another subcontractor, M-CO, set up and bored the casing for the 16-inch water main under the double 60-inch drainage pipe at Bob Lee Blvd., which was installed at the beginning of the project. Additionally, the contractor connected to the 18-inch water main in the receiving pit at S. Main St.

Below is the tentative Daniieldale Road Reconstruction and Utility Improvements schedule for the project milestones:

Milestone	Tentative Completion	Actual Completion
Storm & Sewer Under Eastbound Lanes (EBL)	July 2021	July 2021
All Utilities Under Westbound Lanes (WBL)	November 2021	March 2022
WBL Paving	June 2022	June 2022
Install Water Line Under EBL	August 2022	To Be Determined
EBL Paving Complete	October 2022	To Be Determined
Project Complete	Dec 2022 / Jan 2023	To Be Determined

- Forest Hills Ramps Reconstruction** – The City of Duncanville and the Dallas County Planning and Development Department, via the federally funded HUD Community Development Block Grant Program, are funding construction improvements to the reinforced concrete ramps and sidewalks at four intersections within the Forest Hills Subdivision. The City’s contractor, Northstar Construction, LLC, continued setting the concrete formwork, pouring the new concrete ramps, and installing the new sidewalk at the Freeman-Center intersection. Northstar installed the new pedestrian pole foundations and is working to install the pedestrian push buttons at the Freeman-Center intersection within the coming week.

- **The Highway 67 Green Ribbon Construction Project** - Green Ribbon Project construction commenced on October 11, 2021, with estimated completion now scheduled to occur in November 2022. In addition to site and irrigation improvements, the contractor is installing piers for the Wintergreen Road monument and pouring concrete for the footings. Landscape planting is expected to occur in August.

- **Fire Station #1** – Staff and BRW Architects completed the 100% Construction Drawings. CORE Construction, the Construction Manager at Risk, put the project out for bid. A “Subcontractor Outreach Event” was conducted on March 22, 2022, at the Senior Center from 4:00 p.m. – 6:00 p.m., and a Virtual Pre-bid meeting was held on March 24, 2022. CORE opened bids on April 7, 2022. Council approved the Guaranteed Maximum Price agreement in June 2022. Notice of Intent to Award Contract was provided to Core Construction on July 20, 2022. Construction commencement should occur in Fall 2022, with completion anticipated in Fall 2023.

### Other Construction

- **ONCOR Transmission Line Work at W. Camp Wisdom Rd. and N. Cedar Ridge.** Much of the work to replace transmission lines along Camp Wisdom Rd. has been completed by Oncor’s contractor. The contractor removed the tower foundations and is working on sidewalk repairs.

- ONCOR Line Work in the vicinity of the Downtown District. ONCOR is upgrading the electrical line along Daniel St, Main St, Center St, Freeman St, and Wheatland Rd (see map below). The upgrades will improve the electrical system's capacity in that area. Work has commenced.

- TXDOT I-20 Construction Cockrell Hill Rd to Hampton Rd. TXDOT plans to construct new service roads and ramps from Cockrell Hill Rd in Duncanville to Hampton Rd in Dallas to include new bridges across US-67. Following City Council Resolution in August, TXDOT will construct the US 67 Cockrell Hill Rd Texas U-Turn on the southwest side of the bridge. The project was awarded at the beginning of December 2021. The Pre-construction Meeting with TXDOT and the Contractor was held on February 1, 2022. Austin Bridge & Road, the contractor, started construction in April 2022, with an estimated completion date of November 2024.

## **FIRE DEPARTMENT**

- The Fire Department responded to 135 calls for service in the past seven days, which included:
  - 93 EMS calls.
  - 10 motor vehicle accidents.
  - 1 dryer fire in Duncanville.
  - 2 brush fires: 1 in Duncanville and 1 in Balch Springs.
  - 1 vehicle fire in Duncanville.
  - 1 grass fire in Duncanville.
  - 1 building Fire in Cedar Hill.
- The Department has one vacancy as of July 6. We will have another vacancy on August 1, 2022, for a total of two vacancies. Interviews for the two vacant positions are scheduled for August 1.

- Of our four new employees, two of the firefighters now count as staffing. The other two new employees will not be counted as staffing until they complete the required training after attending a firefighter academy. Two new employees are paramedics certified by the Texas Department of Health Services and will attend DeSoto's fire academy. The other two new employees are fire certified with the Texas Commission on Fire Protection and attended A&P on Monday July 25.
- The Civil Service promotion list for the Driver/Engineer position has been certified. The Department promoted Brent Nabors to the Driver/Engineer position on 'C' Shift and Phillip Clark to the Driver/Engineer position on "A" Shift. Please join Chief Rohde on congratulating Driver Engineers Nabors and Clark on the hard work of studying for the exam and their dedication to advancement in the Fire Department.
- National Weather Service in Fort Worth forecast temperatures of over 100 degrees until next THURSDAY, August 4th. Hot temperatures and high humidity will increase the risk for heat-related illnesses. Drink plenty of fluids and stay in an air-conditioned building if possible.
- As of July 28th, Dallas County remains under a outdoor burn ban due to high temperatures and drought conditions. **Open flame cooking can be done outdoors during a burn ban**, however the flames must be completely enclosed in the cooking device.

## **POLICE DEPARTMENT**

### **COMMUNITY CORNER**

We are currently taking applications for the Duncanville Police Department's 61<sup>st</sup> Citizen Police Academy! This session will begin on **August 23, 2022**.

In 1991, the Duncanville Police Department was one of the first agencies within the State of Texas to offer a forum for citizens to learn about their police department, how they operate, and why they operate in a manner that may not be obvious to most, and much more.

The 11-week program will be held Tuesday nights from 7:00 p.m. to 10:00 p.m.

Attendees will learn about topics such as the following and many more:

- Patrol Techniques
- SWAT Operations
- Criminal Investigations
- Traffic Enforcement/Investigation
- Distracted Driving

Because our department personnel teach all classes, it is also an excellent way for attendees to learn who we are from an organizational and personal standpoint. Likewise, it is a great opportunity for us to get to know our community better.

Applicants must live or work in Duncanville, be at least 21 years of age, and fill out an application to attend. Applications are available at the Duncanville Police Station Lobby or online at <https://www.duncanville.com/departments/police/crime-prevention/citizen-police-academy/>.

## **PERSONNEL**

- Officer Fares Acosta is doing well in his second phase of field training. He is scheduled to complete field training at the end of August.
- Cadet Jessica Determan is in the basic peace officer academy at the North Central Texas Council of Governments.
- We have seven openings for sworn personnel.
- Cadets Saul Vara and Brandon Dunn graduated the academy, and did so with amazing honors! Cadet Vara was the top marksman and received the third highest TCOLE exam score. Cadet Dunn finished with the highest grade on the TCOLE exam and served as class sergeant during the academy. We are appreciative of the leadership and professionalism we are adding to our team and anticipate the growth we are sure to see as they transition into field training.

## **DEVELOPMENT SERVICES**

### **Economic Development**

*the public a working knowledge of the Duncanville Police Department's personnel and policies. It consists of a series of classes, held once a week for three hours. The instruction is comprehensive covering a different area of the police department each week. Officers, supervisors and personnel assigned to that particular division conduct each instructional block. The classes are made up of a cross section of the Duncanville Community. The minimum age is 21 and you must live or work in Duncanville.*

**The Purpose:**  
*The purpose of the CPI is to provide information to the citizens that attend so that they may make informed judgments about the police department and police activity. It is the further hope that the instruction will increase public awareness where as to illegal implications and repercussions and to increase public/community support through this educational process. As from the police department becomes more aware of the feelings and concerns of the community from the participative interaction and input. It is indeed a two-way learning experience.*
