PUBLIC WORKS

Operational Updates:

Street Division

- Marked 8 right-of-way locates.
- Patched forty-three potholes in various locations throughout the City.
- Removed forty-five cubic yards of brush in right-of way on Oriole and Woodacre.
- Repaired street on and a utility cut on Trail Ridge.
- Removed debris from the street on Springwood.
- Provided traffic control for Duncan-Switch.
- Responded to a tree down request on Royal.
- Arbor-Masters removed a fallen tree blocking the creek's flow behind Woodacre Cir.
- Nortex resumed pavement lifting on Cockrell Hill at Madrid going southbound. Eighty-seven percent of the project has been completed.
- Cam-Crete opened all traffic lanes on South Cockrell Hill on September 19. They will begin removing the last section of pavement at Apple Corrugated today. Curb and gutter replacement should be completed this week.
- Curtco began joint sealing on the 300-500 Block of W. Wheatland Rd.

Joint-Sealing on W. Wheatland

Utilities Division

- Water usage was 39.109 million gallons this reporting period, September 12-18, 2022, up from 32.88 million gallons the previous week. The daily peak water demand of 6.687 million gallons occurred on Thursday, September 15. There were 0.0 inches of precipitation during this reporting period.
- Thirteen hydrants were flushed, and eight valves were exercised. Three water main breaks occurred; all crews assisted in repairing the breaks.
- An estimated 976,637 gallons of water loss occurred.
- Crews responded to five sewer calls and one sewer dig.
- The Solid Waste Division received seven scheduling questions and ten complaints: two trash, six brush, and two recycle. Seven recycle bins were distributed.
- Annual tank cleaning for FY22 was completed at Clark Elevated, River Oaks Elevated, and North Main Elevated storage tanks.
- The FY22 Sanitary Sewer Evaluation Study began on August 15 and is still underway.

CIP Construction

- **E. Danieldale Rd. Reconstruction and Utility Improvements Project (Main St. to US-67)** – Pavecon's subcontractor, M-CO, continued installing the 16-inch water main.

Below is the tentative Danieldale Road Reconstruction and Utility Improvements schedule for the project milestones:

Milestone	Tentative Completion	Actual Completion
Storm & Sewer Under Eastbound Lanes (EBL)	July 2021	July 2021
All Utilities Under Westbound Lanes (WBL)	November 2021	March 2022
WBL Paving	June 2022	June 2022
Install Water Line Under EBL	August 2022	September 2022
EBL Paving Complete	October 2022	To Be Determined
Project Complete	Dec 2022 / Jan 2023	To Be Determined

- **Forest Hills Ramps Reconstruction** – The City of Duncanville and the Dallas County Planning & Development Department, via the federally funded HUD Community Development Block Grant (CDBG) Program, are funding construction improvements to the reinforced concrete ramps and sidewalks at four intersections within the Forest Hills Subdivision. Northstar Construction is working on the punch list items now. The push button mounting brackets are expected to arrive next week. Assembly should commence shortly after.

- **The Highway 67 Green Ribbon Construction Project** – Green Ribbon Project construction commenced on October 11, 2021, with estimated completion now scheduled to occur in November 2022. In addition to site and irrigation improvements, the contractor is installing piers for the Wintergreen Road monument and pouring concrete for the footings. Landscape planting began in September.

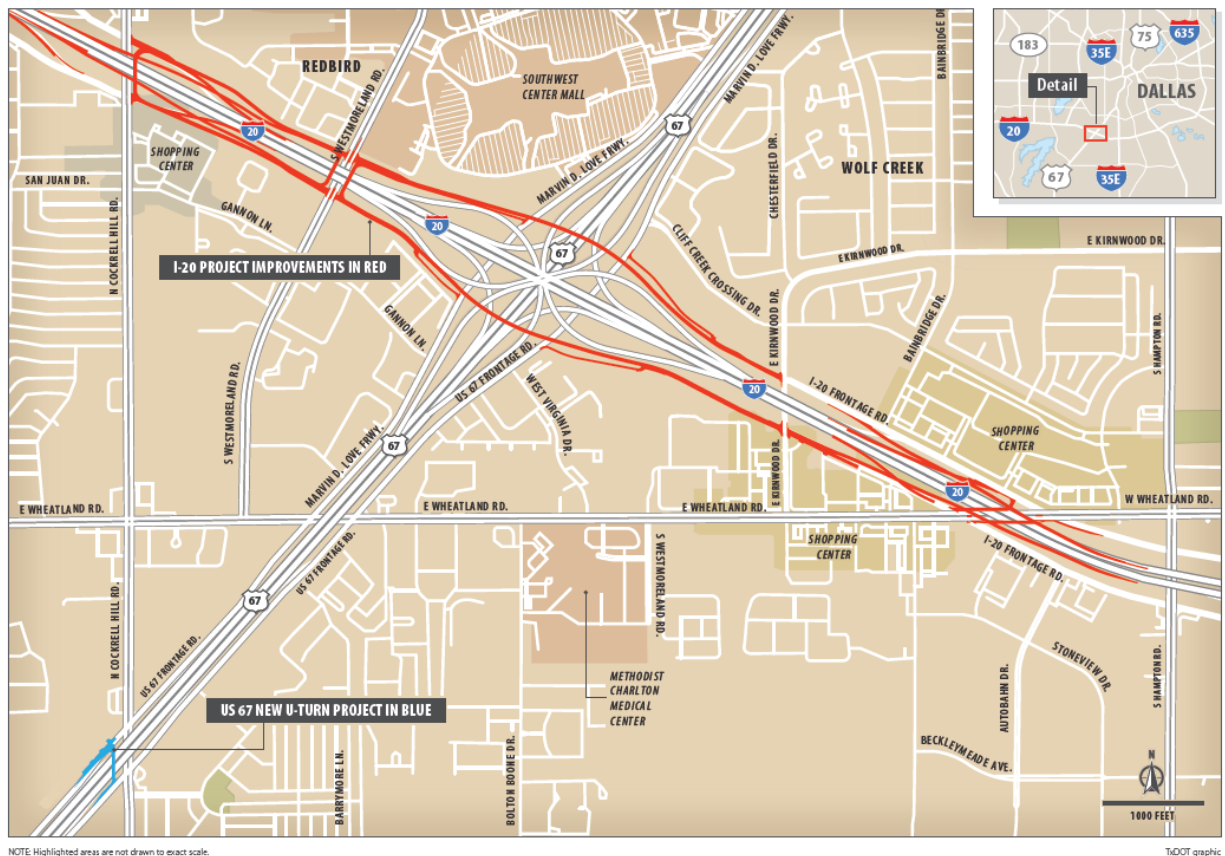

- **Fire Station #1** – Staff and BRW Architects completed the 100% Construction Drawings. CORE Construction, the Construction Manager at Risk, put the project out for bid. A “Subcontractor Outreach Event” was conducted on March 22, 2022, at the Senior Center from 4:00 p.m. to 6:00 p.m., and a Virtual Pre-bid meeting was held on March 24, 2022. CORE opened bids on April 7, 2022. Council approved the Guaranteed Maximum Price agreement in June 2022. Notice of Intent to Award Contract was provided to Core Construction on July 20, 2022. The Construction Kickoff meeting was held on August 10, 2022. Construction commencement should occur in October 2022, and a ribbon cutting is tentatively scheduled for October 25 at 10:00 a.m. The anticipated completion date is Fall 2023.

Other Construction

- **ONCOR Transmission Line Work at W. Camp Wisdom Rd. and N. Cedar Ridge** – Much of the work to replace transmission lines along Camp Wisdom Rd. has been completed by Oncor's contractor. The contractor removed the tower foundations and is working on sidewalk repairs.
- **ONCOR Line Work in the vicinity of the Downtown District** – ONCOR is upgrading the electrical line along Daniel St., Main St., Center St., Freeman St., and Wheatland Rd. The upgrades will improve the electrical system's capacity in that area. Work has commenced.
- **TXDOT I-20 Construction Cockrell Hill Rd to Hampton Rd** – TXDOT plans to construct new service roads and ramps from Cockrell Hill Rd. in Duncanville to Hampton Rd. in Dallas to include new bridges across US-67. Following City Council Resolution in August, TXDOT will construct the US-67 Cockrell Hill Rd. Texas U-Turn on the southwest side of the bridge. The project was awarded at the beginning of December 2021. The Pre-construction Meeting with TXDOT and the contractor was held on February 1, 2022. Austin Bridge & Road, the contractor, started construction in April 2022, with an estimated completion date of January 2025. A meeting with the Mayor, staff, and TXDOT took place on Monday, August 22, to discuss construction improvements that could impair visibility at the City-owned property located at 730 E. Interstate Highway 20. TXDOT provided plans and additional renderings to the City.
